

# EPS FRICTION

## European Premium Solutions

1

### BUILT TO PERFORM

- O.E. Form, Fit & Function
- Rigorously tested to European standards, R90 certified
- Guaranteed safety & reliability

### AUTHENTIC EUROPEAN PEDIGREE

- Engineered & manufactured in Europe, designed for European vehicles
- O.E. matched formulations

3

### CONFIDENCE IN EVERY BOX

- Complete sets with hardware & sensors (where applicable)
- Part # label with fitment and interchange info

- Full coverage for top European brands

4

### WHY TRUST ANYTHING ELSE?

- Most other brake programs are outsourced to China, India, or Mexico – we stay true to a European pedigree
- North American partner for your O.E. formulated European brake solutions

*Driving Excellence,  
Crafted in Europe*

*Choose EPS Friction –  
the brake solution for  
your European vehicle*
