

EPS FRICTION

European Premium Solutions

EUROPEAN BRAKING EXCELLENCE

Engineered and Manufactured in Europe for your European vehicle – these brake pads are engineered and uniquely designed for Momentum USA, Inc.

BUILT TO PERFORM

- ▶ O.E. Form, Fit & Function for optimum braking performance
- ▶ Tested to meet and exceed global standards
- ▶ R90 / E-marked certified for European O.E. level safety and reliability

AUTHENTIC EUROPEAN PEDIGREE

- ▶ Formulated for European driving demands
- ▶ O.E. matched formulations
- ▶ 100% engineered, developed, and made in Spain

CONFIDENCE IN EVERY BOX

- ▶ Includes wear sensors, abutment clips, and hardware (where applicable)
- ▶ Part number labels with axle position and part interchange
- ▶ Full-line coverage for most popular European brands

WHY TRUST ANYTHING ELSE?

- ▶ While others source outside of Europe, we stay true to a European pedigree
- ▶ Protect your vehicle with brakes designed in Europe, for your European vehicle

MADE IN SPAIN
